About BERSAMA

BERSAMA is an award winning Real Estate Cooperative Multipurpose Society duly registered with Lagos State Government and the FCT to provide its members with secured, vetted, yield-driven real estate investment portfolios that is unprecedented in the Nigeria real estate industry. This is achieved through investment in diversified real estate projects and asset classes, working with Realty Point Limited as partner developer and business consult.

This partnership ensures accountability and performance from our development partner on behalf of our members, as the invested funds are backed by underlying real estate assets.

Through this platform, Bersama has gradually democratized real estate investing in Nigeria and Sub Saharan Africa, by giving our members the opportunity to **DIVERSIFY** their asset portfolios and also provide **ACCESS** to quality real estate projects, which were previously privy to corporate, institutional and high net-worth investors.

About BERSAMA cont'd

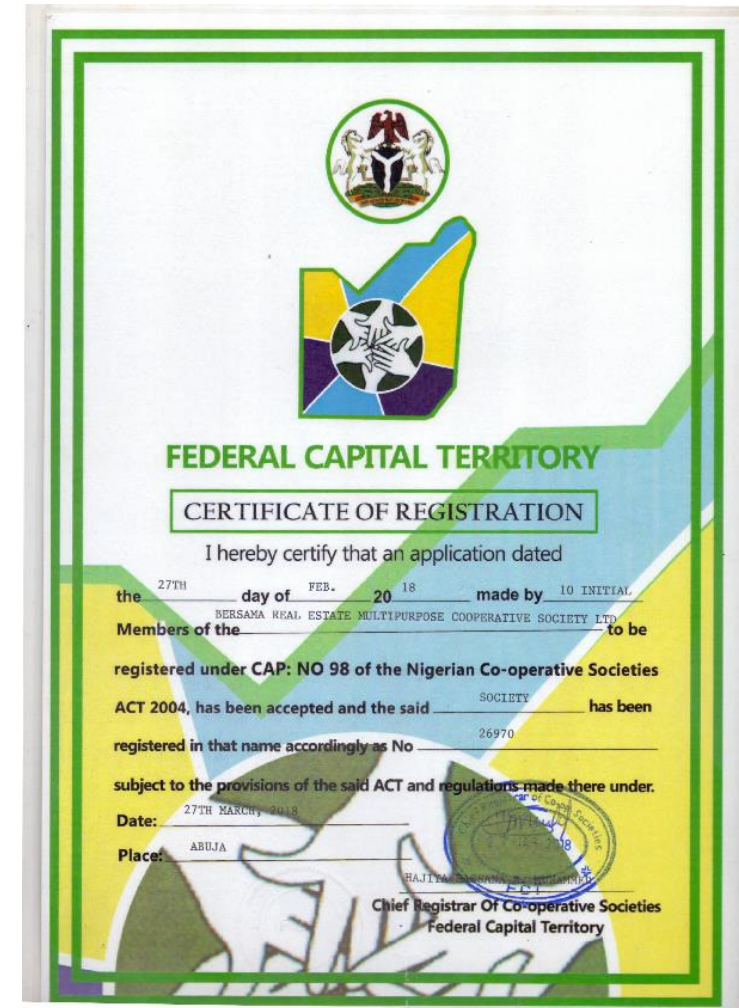

The cooperative society allows its members invest financially to collectively buy, own and earn on real estate assets.

We believe that investing capital in these assets would definitely meet and presumably surpass the expectations and objectives of members, thereby bringing transformative change to their lives, one building/property at a time.

We have a web-based login platform that provides members the convenience of gaining access to their dashboards and personal accounts 24/7 from any location worldwide. This will enable them conduct business utilizing the tools provided by the system.

Membership Benefits

Diversified Investment Portfolio

- By combining technology with the experience of our Development Partner, Bersama brings the once-unattainable world of real estate investment directly to members. This enables members diversify their portfolios from traditional sources such as savings accounts, fixed deposits, shares, stocks, treasury bills that will ultimately minimize their exposure to external factors/shocks that may adversely affect such investments. The funds invested in real estate are also diversified across markets/locations, asset types and cash flow profiles.

Capital Appreciation

- Investment in real estate is known to provide sustainable appreciation of capital over a period of time and hedge against inflation.

Experienced Development Partner

- As the sole Real Estate Development Partner and business consultant, Realty Point Limited brings its wealth of experience, depth of expertise and professionalism to the table. This will be of immense value to the Cooperative by ensuring timely delivery of quality and sustainable projects.

Savings and Loans

- The cooperative is set up in such a way that members are encouraged to save money towards meeting future financial needs and investments. This will be achieved through compulsory and voluntary savings plans. Members that are at least 6 months old in the Co-op can also access loans at low interest rates, up to twice their savings balance.

Returns on Investment

- The cooperative is structured such that investments are skewed in favour of real estate assets up to 70% of its portfolio, whilst loans to members and other asset classes that are secure, low risk with good yield will account for 30%. This will ensure that returns on investment are high and dividend is paid annually. **Additionally, dividend from real estate investment activities is paid annually based on number of share(s) owned by each member.**

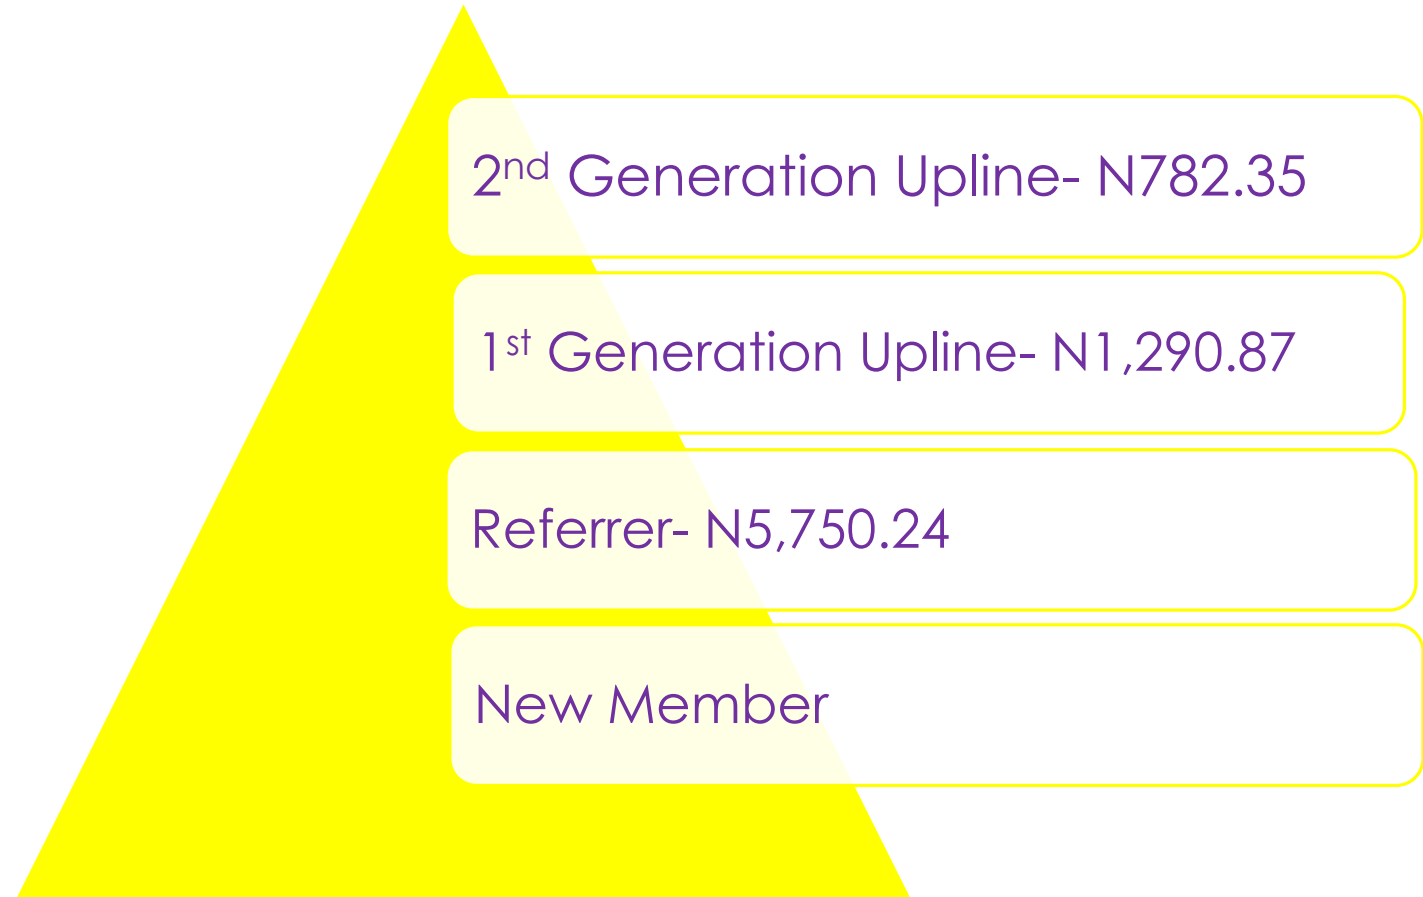

Other Membership Benefits

- Access to Rent-To-Own home ownership acquisition model, amongst other attractive acquisition types for members.
- Opportunity to earn extra amounts through commissions for recruiting members and running a secretariat.
- Sense of prestige and pride associated with owning/ investing in real estate.
- Members who have the means can copy the Co-op's investment strategies in their own private investment.

Bersama Membership Referral Network

To grow our membership base, we have developed a highly rewarding online referral network that is open to both members and non-members willing to work with us towards achieving our objectives.

N.B Referral amounts received shall be net withholding tax.

How To Exit As A Member

- A member who wants to exit to withdraw from the cooperative must have done a minimum of two financial years before they can apply for their full subscription.
- The member's Compulsory Savings balance is paid to him/her after netting off outstanding loan owe the Co-operative if any
- The share(s) value is paid to the exiting members after the AGM of the year the notice was received and at the value of the share(s) at that AGM.

INVESTMENTS AND RETURNS

Investment Objectives

- **Generate Income/Cashflow**

Bersama will invest in real estate developments that will generate a steady stream of income (rent/leases) over a period of time, with the aim of sustainably returning dividend to members annually. Additionally, other investment strategies will include options such as **Buy-Hold-Sell; Buy-Sell and Co-Investing.**

- **Yield Ability**

Investments must be well-vetted by the appropriate committee to ensure that it returns high yields on a sustainable basis to members, taking due cognizance and analyzing risk factors that may adversely affect such returns.

- **Protection**

Capital invested in real estate assets must be secured by a first lien position on the properties. Loans provided to members of the Coop. will also be guaranteed by existing members whose savings are in excess of loan amount, amidst other pre-qualification criteria.

- **Quality**

Real estate developments must meet prescribed quality standards in terms of structural stability, quality of finishing and maintainability in order to remain desirable in the market, appreciate in value and generate income.
